Appeal from the United States District Court for the
Southern District of Mississippi, Gulfport

Before SMITH, WIENER, and OWEN, Circuit Judges.

PER CURIAM:*

* Pursuant to 5TH CIR. R. 47.5, the court has determined that this opinion should not be published and is not precedent except under the limited circumstances set forth in 5TH CIR. R. 47.5.4.

Plaintiffs-Appellants Richard Dean and Kristie Aylett appeal from the judgment of the district court, signed December 20, 2006, granting summary judgment motions of the defendants to dismiss the actions of Dean and Aylett with prejudice. We have reviewed with care the briefs of the parties and the record on appeal, and have considered with equal care the memorandum opinion and order granting motions for summary judgment likewise signed by the district court on December 20, 2006. Based on our consideration of the material facts, which are not in genuine dispute, and the law applicable to the actions filed by Plaintiffs-Appellants herein, we affirm judgment of the district court dismissing all claims with prejudice. In light of our ruling, we deny as moot the motion of Defendants-Appellees Latter & Blum, Virginia McCoy, Marjorie Schroeder, and Stephanie McConnell to be dismissed as defendants in this case.

JUDGMENT AFFIRMED; MOTIONS DENIED.
