April 12, 1993

Before POLITZ, Chief Judge, KING and DUHE, Circuit Judges.

PER CURIAM:\*

This matter is before the court on appeal by the government of the district court's granting of a motion to suppress certain evidence. \*Local Rule 47.5 provides: "The publication of opinions that have no precedential value and merely decide particular cases on the basis of well-settled principles of law imposes needless expense on the public and burdens on the legal profession." Pursuant to that Rule, the Court has determined that this opinion should not be published.
