Appeal from the United States District Court
for the Northern District of Texas
(3:87-CV-2431-H c/w 88-2742)

(January 11, 1994)

Before POLITZ, Chief Judge, DAVIS and SMITH, Circuit Judges.

PER CURIAM:*

This matter is before the court on appeal of the judgment of the district court which dismissed some of plaintiffs' claims and the granting of summary judgment in favor of the defendants as to other of the plaintiffs' claims. On the basis of the detailed and comprehensive factual analysis and the relevant authorities cited in the Memorandum Opinion and Order of the district court filed May 3, 1993, that judgment is AFFIRMED.

*Local Rule 47.5 provides: "The publication of opinions that have no precedential value and merely decide particular cases on the basis of well-settled principles of law imposes needless expense on the public and burdens on the legal profession." Pursuant to that Rule, the Court has determined that this opinion should not be published.
