Appeal from the United States District Court
for the Western District of Texas
USDC No. W-94-CA-113

March 17, 1995

Before SMITH, EMILIO M. GARZA, and PARKER, Circuit Judges.

PER CURIAM:*

The district court's order of September 27, 1994, was not a final order because it did not resolve the issue of damages. 28 U.S.C. § 1291. This court lacks appellate jurisdiction.

APPEAL DISMISSED.

* Local Rule 47.5.1 provides: "The publication of opinions that have no precedential value and merely decide particular cases on the basis of well-settled principles of law imposes needless expense on the public and burdens on the legal profession." Pursuant to that rule, the court has determined that this opinion should not be published.
