Appeal from the United States District Court  
for the Eastern District of Louisiana  
(95-CV-1648-K)

---

May 5, 1997

Before POLITZ, Chief Judge, KING, Circuit Judge, and FOLSOM,\* District Judge.

PER CURIAM:\*\*

Greenhill Petroleum Corporation appeals an adverse judgment awarding damages, costs, attorneys' fees, and prejudgment interest to Seitel Geophysical, Inc., d/b/a Eagle Geophysical, in this contract dispute action. Having considered the briefs, oral arguments of counsel, and pertinent parts of the record, on the facts as found, authorities cited, and analysis made by the district court in its Order and Reasons of June 10, 1996, the decision on the merits is affirmed. The judgment, however, is amended to reflect that the prejudgment interest is to be computed from the date of the loss.<sup>1</sup> The matter is returned to the district court in order that this compensation may properly be made a part of the judgment.

AFFIRMED as AMENDED.
