Appeal from the United States District Court
for the Southern District of Texas
Corpus Christi Division
(C-96-CV-68)

September 22, 1997

Before JONES, EMILIO M. GARZA, and PARKER, Circuit Judges,

PER CURIAM:*

* Pursuant to 5th Cir. R. 47.5, the court has determined that this opinion should not be published and is not precedent except under the limited circumstances set forth in 5th Cir. R. 47.5.4.

Tor Husjord Shipping ("Husjord") appeals the decisions of the bankruptcy and district courts establishing the priorities of claims and ordering the Liquidating Trustee to make distributions accordingly. Husjord raises numerous arguments regarding the propriety of the lower courts' orders, but after hearing oral argument, reviewing the briefs, the authorities cited therein and relevant parts of the record, which we have located and considered, we find no reversible error of fact or law. Thus, we AFFIRM the judgment of the district court.

AFFIRMED.
