Appeal from the United States District Court
for the Northern District of Texas
(3:96-CV-54-R)

July 10, 1998

Before GARWOOD, JONES, and WIENER, Circuit Judges.

PER CURIAM:*

Having carefully considered this appeal in light of the briefs, pertinent portions of the record, and the oral arguments, we conclude that the district court did not err in his findings and conclusions, and we affirm for essentially the same reasons articulated in the district court's thorough opinion.

*Pursuant to 5TH CIR. R. 47.5, the Court has determined that this opinion should not be published and is not precedent except under the limited circumstances set forth in 5TH CIR. R. 47.5.4.

AFFIRMED.
