Appeal from the United States District Court
for the Eastern District of Louisiana
USDC No. 98-CV-580-T

September 28, 1999

Before DAVIS, SMITH, and BARKSDALE, Circuit Judges.

PER CURIAM:*

* Pursuant to 5TH CIR. R. 47.5, the court has determined that this opinion should not be published and is not precedent except under the limited circumstances set forth in 5TH CIR. R. 47.5.4.

Reggie Bourg moves for leave to proceed in forma pauperis (IFP) on appeal from the denial as moot of his motion to intervene. We have carefully reviewed the record in light of Bourg's motion. The district court did not err in denying the motion to intervene. We conclude that there is no nonfrivolous issue for him to appeal. See Jackson v. Dallas Police Dep't, 811 F.2d 260, 261 (5th Cir. 1986). IT IS ORDERED that IFP is DENIED.

Because the appeal is frivolous, see 5th Cir. R. 42.2., the APPEAL is DISMISSED.
